PRESIDENTS WELCOME

As President it is my pleasure to welcome existing and new members to the Club for this season. Fairymead Swimming Club is a family orientated club and I am proud to be a member. We have two wonderful and experienced coaches in Paul Simms and Scott Hamlet. As a committee, our aim is to help Paul and Scott to foster a love of swimming and encourage the children to work hard to achieve their goals.

The 2016/2017 season promises to be another very full calendar for the club. Our winter short course carnival was a great start to the season. Thank you to everyone who helped. Must be that famous Fairymead hospitality!

This season is going to see a number of new families who are progressing from the Bundaberg Swim Academy learn to swim program. Joining club night is a big step and I know that our existing families will welcome and help orientate the new families. The junior dolphin program has allowed many young swimmers to join our club and hopefully continue for many years to come. This year 8 yr olds will benefit from half price membership Paul and Scott will be on pool deck for club nights too!

The Management Committee brings a wealth of knowledge to the club and are enthusiastic about providing a supportive and positive club environment for existing and new members & their families. Please read the Management Committee page of this manual and familiarise yourself with these people on the committee. They are only too happy to help with any queries you may have.

Uniforms are a very important part of Fairymead Swimming Club. The uniform allows swimmers and their supporters to feel proud as they wear their uniform to the various meets, activities and meetings we attend. Our uniform range is progressive and moving with the times. We offer a range of options and welcome feedback and ideas for improving on this range.

Swimmers are required to wear their club cap while competing and their club shirt or tracksuit for all medal presentation ceremonies. Our uniform, including caps, make our swimmers easily recognizable at meets and allow coaches, other swimmers and the media to identify Fairymead swimmers with ease. It is also a requirement that swimmers wear their club shirts or tracksuits for media interviews. A free cap is given to all swimmers 8 years and over each year and other caps are available for purchase. Costs for all uniform items are kept to a minimum so as to make them affordable to all members.

Financially we made a big investment in swimmer support. The club has almost spent \$10,000 in supporting our swimmers from Club Nights to competing on a National level. We can't promise to spend that sort of money this year without a committed effort in fundraising. We are looking forward to a better season with fundraising and making it more events orientated.

We welcome back David Towner and Bill Lawrence as our referees. They will be at club nights offering guidance on the rules of swimming and helping parents work toward technical official accreditations. You will also see David refereeing at swim meets around the region. Any questions? Just ask!

Our biggest sponsor this season will be Bundaberg Swim Academy. In addition to a discounted club night lane hire, Winter Short Course pool hire and a percentage of coffee takings at the Short Course they also allow us to conduct Saturday morning BBQ's at BSA. This is a significant fundraiser for the club and just as importantly, a great way to promote our club to future members attending the very busy learn to swim program each Saturday morning. Each week we need 2 people to run the BBQ. There is a roster on the club notice board and the condition of the BBQ operating is that all money raised goes to Swimmer support. For example: the cost of hiring a bus to a swim meet, pizzas on Championship day, club camps, and beach days. If every family helped twice during the year all spots would be covered. Please put your name on the roster if you are happy to help. Please take the opportunity to become an active participant in one of Bundaberg's great family clubs.

I look forward to the coming season as Club President, working together with the Management Committee and Coaches to provide an enjoyable and fulfilling season.

Please take the time to read this handbook thoroughly as it contains relevant information as to how Fairymead Swimming Club operates.

Michele Watson
President
Fairymead SC Inc

2016-2017 CLUB SPONSORS

Fairymead Swimming Club wishes to acknowledge the support it receives from various families and business in Bundaberg and the surrounding area. Many of our club families and local businesses support Fairymead. Please see our meet programs, club night newsletters and website for our current list of sponsors.

Thank you for your support!

VISION STATEMENT

'Fairymead Swimming Club Inc. to be the best in Queensland'

MISSION STATEMENT

'Fairymead Swimming Club Inc is a dynamic, growing and financially responsible organisation that exists to promote quality participation opportunities for all ages and skill levels, in a family oriented environment.'

Website www.fairymead.org.au

INTRODUCTION

The Fairymead Swimming Club was established in 1956 by a group of swimming enthusiasts eager for social interaction and competitive swimming. It is affiliated with Swimming Queensland (SQ) which controls and administers the sport of swimming in Queensland. SQ acts in accordance with the rules and regulations of Swimming Australia Inc. (SA) which in turn functions under the International Swimming body called FINA.

The Club is managed by a Management Committee selected at an Annual General Meeting. The committee meets at 5:30pm on the first and third Tuesday of each month. Everyone is welcome to attend these meetings. Please advise the Secretary of any new business items to be included on the agenda.

The Fairymead Swimming Club colours are green and gold.

Note for Parents

As most are parents themselves, the Club Management Committee members fully appreciate the demands made on parents in organising their children to attend training, club-nights and other club activities. These demands should be weighed against the benefits derived by the children through participation in a sport which, besides providing what is probably the most complete form of physical exercise, is designed to develop a keen sense of sportsmanship, team spirit and competition.

To obtain maximum benefit from the sport, each member should have a commitment to attend Club Nights regularly, train regularly and participate as much as possible in club activities. This in turn requires that a high degree of enthusiasm be maintained.

It is in this area that parents can make a very worthwhile contribution by giving encouragement, showing an active interest in their child's progress and keeping an up to date knowledge of club activities. This begins with a careful reading of this handbook and any club newsletters that are produced.

To this may be added taking an active interest in their children's progress and participation by participating in club activities such as by volunteering as timekeepers etc at Club Night or competitions. It will not only be appreciated by the Club Officials, but by your children whose enthusiasm receives a tremendous boost through seeing Mum or Dad or other family members as part of the 'team' supporting them in their sport.

Showing encouragement and enthusiasm is not akin to "driving" your children, and care should be taken to leave the coaching entirely to the coaches, unless they request a parent to assist in some way. Also by enrolling as Adult member of the club there are benefits to parents including insurance coverage and subsidies such as subsidized bus transport to nominated carnivals.

Code of Conduct & Child Protection Policy

The Fairymead Swimming Club has a Code of Conduct for swimmers, parents and management. It is important that you familiarize yourself with this as the Club prides itself of high standards of sportsmanship, teamwork and encouragement. It is expected that all members and their families be committed to these. The Code of Conduct is included in membership packages, as an attachment in the Club Handbook, In the Policies and Procedure Manual at BSA and on the Fairymead website. Some important points to remember are:

For swimmers:

- Swim for enjoyment – set your goals with coaches/parents
- Work hard for yourself and your goals
- Maintain respect for your Club and your mates.
- Be a good sport. Applaud all good swims whether by your team or the opposition.
- Co-operate with your Coach, Team Manager, teammates and opponents.
- Verbal or physical abuse of swimmers, officials, coaches and equipment in training and competition will not be tolerated. See Code of Conduct and Child Protection Policy.
- Good manners are expected of all members at all times.
- Always respect the coach's instructions during training, competition and other events.

For Parents:

- Foster good sportsmanship and team spirit among Club members.
- Conduct yourself in a manner that positively promotes Fairymead Swimming Club.

Child protection

Fairymead Swimming Club Inc has developed a set of policies and procedures with the aim of keeping children from harm. Included in our strategy is:

- A policy with a statement of commitment to the safety and well being of children and the protection of children from harm
- Our Code of Conduct
- Recruitment, training and management procedures for staff (Including appropriate employment screening – i.e. blue cards and registers of people who have applied for and hold blue cards)
- Reporting guidelines and directions for handling disclosures and suspicions of harm
- A policy for managing breaches of the risk management strategy
- Policies and procedures for compliance with blue card legislation
- Risk management plans for high risk activities and special events

- Strategies for communication and support

The above information can be found in the **Club Handbook**, on our **Website** and in the **policies and procedure manual** at the pool. The **Code of Conduct** is also given out in the **membership packages** along with **Blue card application forms for Adults**.

Important Considerations

- Fairymead Swimming Club encourages and supports the Blue Card for all people over 18 years
- Fairymead has a Member Protection Officer to oversee the Child Protection requirements
- Our Child Protection Policy contains Information about what to do if a child makes a disclosure to you
- Fairymead Swimming Club undertakes a Risk Management Plan for all high risk activities and special events. Eg Camps, surfing, hosting carnivals
- Fairymead Swimming Club promotes Risk Management training for all members. Notices are displayed on the notice board
- Our Member Protection Officer is able to put you in contact with support services should the need arise

CLUB INFORMATION

The rules and information contained in the following pages have been compiled with the intention of promoting the smooth and efficient operation of the Club's activities. This can only be achieved if all members carefully read and note the instructions etc, and follow them at all times.

Two things are most important, namely that:

- (1) Parents make themselves familiar with the contents of this handbook and so be in a position to answer any queries, or at least know whether the information is available in the book, and
- (2) The handbook is kept in an accessible place for easy reference when needed.

Communication

The Club has introduced a number of tools to assist with keeping communication flowing between the Club and its members. These include:

- Club Night announcements (starting at 6.00pm sharp)
- Club newsletters - hard copy & electronic format produced weekly during Club Night season then monthly thereafter
- Club information flyers (as required)

- Club notice boards at Bundaberg Swimming Academy and Anzac Pool
- Club website (www.fairymead.org.au)

Newsletters will be placed on the Club's website, distributed on Club Nights during Club Night season and to squad swimmers/parents during the winter season.

General club notices are displayed on the BSA notice board and also at Anzac Pool (during the summer season).

Club Uniform

Show pride in your Club by not only representing your club with your swimming abilities, but also with your behavior and the wearing of club caps, togs, shirts, tracksuits etc at all competitions.

Club members **MUST** wear club caps while swimming at meets and **MUST** wear a club shirt or tracksuit for all medals, Age Champion and other presentations at swim meets. Uniform costs are kept to a minimum and all items are available through the Club Uniform Co-ordinator. Mandy Stallan.

Swimmer Support - Fundraising Plan

The Club provides significant levels of swimmer support each season. The Club's capacity to continue offering the level of swimmer support it has provided in the past is dependent upon the full and enthusiastic involvement of our Club families in fundraising activities of the Club.

Each year, the Swimmer Support Fundraising Action Group develops a fundraising plan which aims to raise enough money to fund the swimmer support items for that year.

Examples of swimmer support (subsidies) offered by the Club to its members through fundraising activities includes:

- Club Night pool lane hire
- Training squads pool lane hire
- Competition coaching associated expenses
- Financial support for State and National swimmers
- Free Fairymead City of Charm Carnival nominations of Club members
- Free nominations for Club Relay teams at Wide Bay Championships and State Relay Day
- Fundraising Incentives eg. Swim-a-thon
- Club Championships Awards/Trophies (Annual Presentation Night)
- End of Year activity

The Club's fundraising plan for the 2016/2017 season is included as an appendix in this Handbook and can be accessed on the club's website. Please take the time to become familiar with our fundraising and social activities plan and participate in as many club activities as possible.

Please remember that without these funds our membership fees would need to be significantly higher so please support Club fundraising events as much as possible.. The Club endeavours to make sure all our **Fundraising** activities are also **Fundraising** activities.

The Fundraising Committee is always on the lookout for people with fresh ideas and approaches. If you are the parent/carer of a junior or senior swimmer and are interested in assisting our Fundraising Committee, please contact a member of the Management Committee.

MONIES

The handling of money on behalf of an organisation is a significant responsibility. Therefore we ask that you help us by having all payment envelopes **clearly marked** with your **name, amount and indication of the purpose of the payment**: eg Mary Brown \$15.00 - Nominations Wide Bay Championships:

Please note clubs are now moving toward online nominations for swim meets and membership payments are now online.

Bank Transfers: BSB 124075 Acc: 21654092 Fairymead Swimming Club Inc. Please email receipt of transfer to fairymead@widebayswimming.org.au. Please reference your payments using last name and meet abbreviation. EG WatsonHB

Please place all payments (excluding training/lesson fees) in box marked "Fairymead Nominations" on the coffee machine bench at BSA.

CLUB DEVELOPMENT PLAN

In consultation with its members, Fairymead Swimming Club's Management Committee developed a 5 year Strategic Plan designed as a framework to successfully take the Club into the future.

From this 5 Year Plan, the Management Committee develops our short term plan which provides direction on Club development over the upcoming 12 month period.

LUB IMPROVEMENT

As in any organisation, there will be concerns or issues that will arise from time to time. The Management Committee asks that these issues be brought to our attention early so that they can be addressed and a resolution put in place.

In your Code of behaviour brochure you will find the appropriate steps to be taken in regards to raising concerns or grievance. Please keep communication lines open so concerns/issues are minimized and can be addressed early. Try to remember that the Management Committee is a group of volunteers who are committed to doing all they can to make Fairymead the best it can be.

If your problem is with the Management Committee and you don't feel you can raise it directly, you could talk to Paul or Scott who may take it up for you, or again, you could put it down on paper and in the nominations box.

Please be courteous and sign all correspondence if you possibly can as we would like to get back to you with an outcome. Whilst anonymous comments will be acknowledged it is unlikely that a response will be provided unless the author is willing to come forward and discuss the concerns in a fair and open manner.

Please do not expect anyone to be perfect. The Club believes that the processes it has in place to manage concerns and issues will allow a prompt and efficient response and provide a resolution to the mutual satisfaction of all parties.

POLICIES AND PROCEDURES

The Management Committee over a period of time has introduced policies and procedures for the following areas of:

- Club development
- Swimmer support - fundraising
- Privacy
- Membership
- Child Protection
- Sun Smart

Please read these policies along with the by-laws. A copy of each policy is in the appendices of this handbook.

CLUB MEMBERSHIP

Fairymead Swimming Club is an Affiliated Member of the Swimming Queensland Association (SQ) and Wide Bay Swimming (WB) to which it pays an annual club affiliation fee and a registration fee for each member. It is bound by the Rules and By-Laws of Swimming Australia Inc. and Swimming Queensland.

Registration of each member is now made via the SQ online system. Existing members are emailed a link to renew their membership. New members can use the Join Now link on the SQ website. Should you experience any difficulty in this area please discuss it with the Club Registrar.

All swimmers must be registered with SQ at least two (2) weeks prior to the closing date for swim meets. Members must be registered with the Club Registrar in plenty of time to meet this deadline.

Swimmers (and non-competitive members where applicable) must be registered to be eligible for:

- Competition at any SQ carnival including A Grade and Development meets.
- Club night swims and points competition
- Club championships and trophies
- Voting rights at meetings (over 16 years)

NB: “New kids on the blocks” are invited to participate in two (2) ‘come and try’ Club Nights before they are obliged to become financial members.

COACHING/SQUAD TRAINING

The Club is fortunate to have Paul Simms and Scott Hamlet as our club coaches. Paul and Scott bring a wealth of experience and enthusiasm to our club and evidence of their coaching skills, knowledge and commitment to our swimmers is demonstrated in the increased membership of our club and excellent performance of our swimmers across all age groups.

Scott and Paul also provide assistance to swimmers at Club Night with lots of positive reinforcement and encouragement each club night. Scott coaches our junior squads and Paul looks after the senior squad. There is sure to be a training squad just right for you. If you are interested please talk to Scott or Paul for more information.

Beth coaches many of our Junior squad members and supports our swimmers by attending some swim meets and club championships.

Training squad fees are paid directly to BSA either by direct debit weekly or by cash/cheque/efpos daily/monthly.

CLUB NIGHTS

Club Nights are an essential and important club activity and endeavour to develop club nights to be the night of the week that all swimmers and their families look forward to and eagerly participate in. Attendance at Club Nights by parents is appreciated, not only for the supervision of your child/ren but also for providing assistance in running the evening.

Club Nights provide opportunity for swimmers to better their own times and for families to be actively involved in the Club. To make sure each family assists with club nights, jobs such as timekeeping etc are to be rotated throughout the season, these jobs are easy and instructions will be given to those unsure of their responsibility.

Club Night Venue

Club Nights are held on Monday nights at the Bundaberg Swimming Academy, Fitzgerald Street.

Club Night Dates

In 2016/2017 Club Nights will:

- Commence on Monday 10th October
- Relay / Christmas Party night Monday 12th December 2016
- Resume on 16th January 2017
- Conclude with Club Championships at a date TBA

Club Night Schedule

- Club Night opens at 5.30pm
- Food available from 4.30pm
- Club notices and announcements delivered at 6.00pm
- Marshalling starts 6.10pm
- First event in the water at 6.15pm sharp
- Last event should be run between 7.00pm – 7.30pm
- Nominations for Club Nights close at 5.50pm

Gate Entry Fee

Entry to Club Night is part of your membership package.

Club Night Volunteers

On Club Night, our Club Night Co-ordinator will approach families seeking assistance for:

- Club Night BBQ – the proceeds ensure a successful presentation night at the end of the season.
- Timekeeping
- Marshalling
- Results Runner and other tasks.

Please take your turn at these jobs as it ensures everyone gets the chance to contribute to Club nights and watch their child/ren swim.

Club Night Program & Times

- Club night swimmers will be able to nominate directly at the Club window each Monday night as they arrive. Nominations will close at 5.55pm. NO LATE NOMINATIONS.

- Swimmers' times together with a list of swimmers attendance at Club Nights will be placed on the BSA notice board, usually on the Monday night following Club Night. Results will also be posted on the Fairymead Web Site.

General Rules

- Swimmers must remain in the pool enclosure on Club Nights and at carnivals.
- During Club Nights the pool being used for events is the only pool in use. The other pools are **out of bounds**.
- The call steward (marshaller) will call a swimmer a **maximum of 2 times** to the marshalling area.
- **Silence** when the Referee has blown the whistle to hand the start of the race over to the Starter.
- Parents and members are expected to remain club oriented and have a supportive role to all swimmers of the club at Club Nights, meets and Club functions.

Swimmers, parents, officials and spectators are expected to abide by the Club's Code of Conduct.

Progression Times

Progression times will apply for all strokes. This means a swimmer will not be permitted to progress to the next distance until he/she has achieved the following times:

Stroke	25 metres	50 metres
Freestyle	22 seconds	40 seconds
Backstroke	25 seconds	45 seconds
Breaststroke	27 seconds	55 seconds
Butterfly	25 seconds	45 seconds

However, swimmers **MUST** progress to 50 metres on breaking their 25 metre times. Once a competitor swims a 50m for that stroke the swimmer is not eligible to swim the 25metre event in that stroke again unless except when required for Championships.

CLUB CHAMPIONSHIPS

Club Championships are a combination of events completed at the end of the Club Night season. If swimmers are eligible and choose to participate in Club

championship events, they vie for end of season trophies with results and presentations announced at the annual Presentation Night.

All race rules strictly apply for events, including starts, turns and stroke technique. Club coaches and referees advise and help swimmers throughout the season to alleviate errors at any competition the swimmer chooses to undertake.

To be eligible to compete in Club Championships, swimmers must meet the following criteria:

- Be a financial member of Fairymead Swimming Club with no outstanding membership fees;
- Have competed in a minimum of two (2) events at a minimum of 10 club nights* throughout the season.
- Age for championships will be age on blocks.

Three exceptions to this rule:

- If a new resident to the area, or
- in the coaches opinion has the ability to join Fairymead from the learn to swim program.

In these two circumstances a swimmer must have joined by **16th January 2017** and swum every club night from then up until Club Championships.

A medical certificate must be provided if a swimmer has nominated and is unable to swim due to injury or illness – (if necessary to account compulsory for 10 swims)

*The following events will count towards the minimum 10 Club Nights:

- Club Night Relays (2 nights)
- Swim-a-thon
- School swimming (where swimmer competes in School Swimming competition on a Club Night)
- Competing at States on a club night or the day after or if a sibling is competing at states on a club night or the day after and the family is in Brisbane

Dates for Club Championships will be advised after Christmas.

CLUB AWARDS

In order to qualify for Age Champion Awards:

7 years and under. Age Champions are not awarded to swimmer 7 years & under to keep in line with Junior Rule Tolerances. Each swimmer receives an award.

8 years swimmers must participate in all 4 strokes (excluding medley and distance events), to be eligible for an Age Champion Award.

There will be separate awards for medley & distance events for these age groups.

9 Years and over swimmers must compete in 6 events at Club Championships (4 form strokes plus medley and distance).

All swimmers must compete in their respective distance tabled below according to their age on the first day of Club Championships.

Age	Freestyle	Backstroke	Breaststroke	Butterfly	Distance	Medley
7 & Under Dolphin Swimmers	12/25m	12/25m	12/25m	12/25m	N/A	N/A
8 years	25m	25m	25m	25m	100m (optional)	100m (optional)
9 years	50m	50m	50m	25m	100m	100m
10 years	50m	50m	50m	25m	100m	100m
11 & 12 years	50m	50m	50m	50m	200m	200m
13 years & over	100m	50m	50m	50m	200m	200m

In the event of tied points for Age Champion, the medley is to be counted. If both swimmers fail to swim the medley then there is to be a medley swim off. In the 8 years and under age group two trophies will be given instead of a swim off.

CHAMPIONSHIP AWARDS AND PERPETUAL TROPHIES

The following Championship Awards and perpetual trophies will be presented at the end of the season:

Award	Description
Championship Awards (Club Night Season only)	1 st , 2 nd and 3 rd Age Champion male and female swimmer in each of the following age groups: 8,9,10,11,12,13,14,15,16,17 years and over. Swimmers aged 7 & under all receive an award.

Patron's Trophy	Amaya Parker / Oliver Mathiesen
President's Trophy	Hayley Perry
Swimmer of the Year	Isaac Cooper

CONGRATULATIONS SWIMMERS!!!!!!!

SWIM MEETS

There are approximately 50 Clubs in the Wide Bay Region, some of them hosting a meet during each swimming season. Our Club receives invitations to compete at these and some outside our region.

Details of meets are displayed on club noticeboards as they are received by the Race Secretary. All registered swimming members are invited and encouraged to compete at meets, although this is not compulsory.

Swim meets may be A Grade, B grade qualifying, or B grade (development). Please talk to your coach if you are not sure which ones you should or are eligible to attend.

A list of meet dates is included in the appendix however please note these may be subject to change. Paul and Scott plan to accompany swimmers to the meets highlighted in bold print.

Nominating for Swim Meets

If you wish to compete at a swim meet you must fill out a nomination form. A copy of the Club's nomination form is included as an appendix at the rear of this Handbook or can be accessed from the 'Forms' page on the club's website at www.fairymead.org.au

Fairymead keeps an electronic copy of all swimmers nominations and results in our Team Manager program. There is no need to write your swimmers times on nomination forms.

It is the responsibility of swimming members to lodge accurately completed nomination form and appropriate entry fee with the Race Secretary by the advertised closing date on the meet flier. Nominations should be placed in an envelope with the name of the swimmer and the meet and amount of money enclosed.

Nominations are cleared on the closing date, collated by the Club Treasurer and then processed by the Club Race Secretary and sent to the host club together with a cheque for the correct nomination fees within the deadline specified by the host club.

Filling Out Nomination Forms

When filling out nomination forms it is very important that you give the correct details. All details must be legible and completed in ink. Incomplete forms will be returned. Verbal nominations cannot be accepted. Nominations will not be accepted unless correctly completed and money is enclosed. **THE TREASURER DOES NOT PASS ON NOMINATIONS FOR PROCESSING BY THE RACE SECRETARY UNLESS THE MONEY IS ENCLOSED.** It is not the treasurer's role to chase money. Please ensure your nominations are correct. If you wish to pay by bank transfer please email Scott for the bank details

A sample of a completed nomination form is shown on the following page. Contact the club's Race Secretary if you are unsure about any aspect of meet nominations. All Club nominations must be directed through the Club Race Secretary.

Example of correctly completed nomination form:

FAIRYMEAD SWIMMING CLUB NOMINATION FORM

Name of Meet: _____ Date of Meet: _____

Nom Fee: \$ _____ Per event

Swimmer Name: _____ DOB: _____ M/F: _____ Age on first day of meet:

	Event No	Age	Stroke	Distance
1	6	9	Free	50m
2	12	9/10	Free	200m
3				
4				
5				
6				
7				
8				
9				
10				
				Total Fee: \$

Late Nominations

Please watch closing dates carefully and enclose **correct fees** for nominations. It is imperative that you nominate in plenty of time. Unfortunately leniency with late or incorrect nominations results in increased costs to the Club as well as enormous frustration and inconvenience for the Race Secretary and Treasurer. Late nominations also create a poor image of our Club. Therefore this season late nominations or nominations without correct fees will not be accepted.

Meet Qualifying Times

Some meets (or occasionally some events at a meet) have qualifying times. Please nominate for these events only if you know you have swum under these times at a previous swim meet. Club Night times cannot be used for Wide Bay Championships and State and National Swimming meets.

Swimming Queensland (SQ) or Wide Bay Regional Swimming Association (WB) may fine you and the Club if your times are deemed to be falsely lodged.

In the case of Development meets the reverse applies that is, do not nominate if you know you swim faster than the specified times. A novice swimmer is a swimmer who has NOT broken the novice times as set by WBRSA. Fairymead does not mix club night times with meet times. Your first meet you will nominate with no times. After you have swum the times are then used to nominate for your next meet.

Timekeeping

If your child is competing at a meet, you will be asked to take your turn at timekeeping. At each meet a parent will develop a timekeeping roster for the duration of the meet. This will ensure all families contribute to representing our Club as timekeepers thus sharing the load and ensuring families are able to watch their child/ren swim.

SWIMMER DEVELOPMENT SQUADS

Congratulations to the following Fairymead Club swimmers who earned selection in a range of Regional and State swimmer development squads for the 2015/2016 season:

Wide Bay Swimming Squads:

Wide Bay Stingers (9,10,11) Benjamin Cooper , Jaime Krueger , Taylar Krueger ,Oliver Mathiesen Rohan McDonald, Kaylah Parker, Mitchell Perry, Jaslyn Phillips, Olivia Warmington, Alexandra Whitaker.

Wide Bay Sharks (11,12,13) Paris Bell, Indy Burt, Isaac Cooper, Harlan Cottle, Murray MacPherson, Rachel McDonald, Sarah Nash, Ben Payne, Hayley Perry, Jordan Smith, Tobias Street, Xanthe Whitaker.

Wide Bay Piranahs (14+) Julia Baren, Macson Cottle, Natalia Frick, Cameron MacPherson, Connor Simms, Caleb Spark, Sarah Watson

Swimming Qld Squads & Teams

Junior Development Squad Julia Baren, Paris Bell, Hayley Perry, Caleb Spark

Bronze Squad Macson Cottle, Connor Simms, Jordan Smith

FAIRYMEAD SWIMMING CLUB HOSTED SWIM MEETS

Winter Short Course

Each year during the June/July school holidays, the Fairymead Swimming Club hosts the winter short course meet.

The meet continues to grow and competitors embrace the meet as an ideal opportunity to test their short course times in the lead up to the Queensland Short Course Championships. Medals are awarded and Dash for Cash prize money results in many close finishes.

As with the City of Charm meet, the success of this meet is conditional upon the strong participation by Club swimmers and the volunteer contribution of swimmers' families.

Each year we have been fortunate to attract sponsorship for this meet which contributes to the successful organization and conduct of the event.

We ask families to contribute by donating menu items and participating in a range of roles such as chief timekeeper, timekeeper, runner, catering co-ordinator etc. Watch the BSA noticeboard for a list of jobs to be undertaken for this meet.

City of Charm Swim Meet

The Fairymead Swimming Club has successfully hosted the City of Charm Carnival for the past 42 years. City of Charm as it is known, is truly an inspirational meet in which to be involved – not only for the strong competition, nor the 2800 nominations received from 450 swimmers from 36 clubs across Queensland but the magnitude of event preparation and the work required to ensure the event runs smoothly and on time. The City of Charm is renowned for its smooth operation and the high level of competition leading into the Queensland Swimming Championships held in Brisbane each year.

As detailed earlier in the Handbook, the City of Charm is our Club's major fundraising event of the year. As always, our Fairymead Club families contribute in such a significant way to the success of this Carnival through their volunteer role in over 160 different jobs – all of which are required to make each Carnival the success it is.

Please watch the noticeboard from early November for a jobs roster. Donations of cakes, slices etc that would be appreciated.

Many jobs commence before the carnival kicks off on Friday evening. Friday afternoon is the "all hands on deck" afternoon for tent erection, food preparation, equipment testing etc.

Our meet has become one of the largest and most successful meets in regional Queensland and involves a big effort for a short time. Workers are required so please families and friends set aside this weekend in your diaries now for a time to work together for the benefit of our club and to promote us in Bundaberg and the broader community.

Just as our families make a big contribution to the success of our meet so do our generous sponsors. Fairymead families – if you are aware of members of the public or businesses who wish to sponsor an event or two, please feel free to contact the club! All sponsorship is greatly appreciated.

The meet costs about \$11,000 to run. As a rough guide \$30 will cover the cost of medals for one event - there are 150 events on the program as well as the relay (\$1040), team points awards (\$1700) and Swimmer of the Meet (\$100). There are two Fairymead Swimmers of the Meet (\$50)

APPENDICES

The following documents are included as appendices:

- ⇒ Club Championship Records
- ⇒ 2016/2017 Wide Bay Carnivals Calendar – Fairymead Preferred meets
- ⇒ Wide Bay and SQ selection criteria for squads
- ⇒ Carnival Nomination Form

WIDE BAY REGIONAL SWIMMING CALENDAR 2016/2017

The Wide Bay Calendar of Meets and their classification is available for perusal and printing on http://sal-live.apsolutions.net/visageimages/clubs/widebay/Events/WB%20Calendar%202016_17_includes%20referees%20-%20Revised%20240716.pdf

Paul, Scott and Beth attend meets as Fairymead Coaches. Due to the changing Wide Bay calendar meets that the coaches prefer the club to attend will be displayed on the Fairymead Notice board at BSA and emailed out to families.

Attending your first swim meet:

Below is information that will assist you to prepare your child and yourself for their first competitive swim meet.

Meet Classification:

B Grade Meet: A meet specifically designed for swimmers who are not A grade swimmers. This is an ideal meet for a swimmers first meet. At the meet medals will be given to first, second and third places in each event (not heat). Participation ribbons from SQ will be given to all swimmers 10 & Under. (one ribbon each). All swimmers 7 & under will be given participation certificates as places are not awarded to swimmers 7 & under. (Junior rule tolerances)

At the Meet:

Gate entry: Gate entry will be charged at \$3 per adult. Swimmers are free. Non swimming children pay \$1. This fee helps offset the hire of the pool. **Programs:** Programs will be sold at the gate. They usually sell for about \$3.00. The program allows you to see the event, heat and lane your child will swim in for each event they nominated in. Remember to take a highlighter as it is usual for parents to highlight their swimmer for each of reference during the day. **Shade:** Fairymead will have marquees there for our club members (& supporters) to sit under. You need to bring camping style chairs to sit on (or a blanket). **What to bring:** Chairs, hat, sunscreen, water bottle, spare cap & goggles if you have them. Towels (2). **Marshalling:** The call steward will marshal swimmers 2 events in advance. Marshalling numbers (event numbers) are displayed in 2 places around the pool. The events to marshal are also announced throughout the day over the PA system. **Each swimmer must see Scott before heading to Marshalling.** He will tell them what he wants them to remember. Parents are not allowed to go into the marshalling area. This is a rule of swimming. We marshal on club night so swimmers will have a good idea of what to do already. **Presentations:** Will be made at intervals throughout the day. Listen to announcements for times. Please remember your camera!

Team Spirit: Each swimmer needs to wear their Fairymead cap while competing. This would have been given to you with your handbook package. Our club colours are green and gold so if you have any club gear then wear them. This is not compulsory so don't worry if you don't. We will take the fairymead tents, banners etc. Parents we always aim to cheer on each swim and encourage the kids to enjoy the meet. We want them to go home happy after having had a fun day! **BBQ and Drinks:** A bbq and drinks stalls will be operating on the day. This is a fundraiser for the hosting club.
